## **QUOTE OF THE DAY**

"Art does not reproduce the visible; rather, it makes visible." – Paul Klee

"Everybody's got a different way of telling a story - and has different stories to tell." – Keith Richards

"People have forgotten how to tell a story. Stories don't have a middle or an end any more. They usually have a beginning that never stops beginning." – Steven Spielberg

"The strokes of the pen need deliberation as much as the sword needs swiftness." – Julia Ward Howe

"If I were to wish for anything, I should not wish for wealth and power, but for the passionate sense of potential --- for the eye which, ever young and ardent, sees the possible. Pleasure disappoints; possibility never." – Soren Kierkegaard

"One day at a time --- this is enough. Do not look back and grieve over the past, for it is gone; and do not be troubled about the future, for it has not yet come. Live in the present, and make it so beautiful that it will be worth remembering." – Ida Scott Taylor

"Lead me not into temptation; I can find the way myself." - Rita Mae Brown
